- **Language:** Portuguese and English

- **+150 terms**
- **Search by keyword: Complete listing and recently viewed terms**
- **Change of language at any time**
- **Sharing settings with friends / social networks**
- **Suggested improvements**
- **Simplicity and ease of use**

# Expected impact

---

- To benefit students, academics, professionals, and individuals interested in learning about Digital Financial Services;
- Contribute to Financial Education through access to information in a convenient and free of charge;
- Potential for use in many countries, especially for FSDs Network;
- First application of these type focused on DFS in application stores

- **Google Play: Search**  
"Glossary DFS"

Near future

*Thank you*
