

The Financial Sector Deepening Mozambique - FSDMoç, a program funded by the United Kingdom Department for International Development (DFID) and the Swedish Department for International Development (SIDA) in partnership with the Financial Inclusion Center (CFI), will promote the Financial Inclusion Week (FIW), which will run from October 29 to November 2, 2018. This is a week of global conversations about the most important steps for advancing financial inclusion. The Week of Financial Inclusion aims to build a momentum around how to address the most significant obstacles to financial inclusion through a week of global conversation. This year's theme is "Getting Inclusion Right".

During this week, each partner organization will hold meetings and promote conversations about what the community needs to do to get it right and strategic ways to promote that agenda in each context. We are committed to doing our part to achieve this bold vision in which financial services add real value to people's lives, innovative products and policies are created and implemented to fill the gap between access and financial health.

In these context, to enrich the discussions, the FSDMoç and partners will contribute with presentation of four (4) essays on emerging issues in the context of Financial Inclusion in Mozambique, which will be presented in accordance with the following agenda:

| <b>DATE</b> | <b>TIME</b> | <b>THEME</b>                      | <b>PRESENTER</b> |
|-------------|-------------|-----------------------------------|------------------|
| October 31  | 16:00hrs    | Getting Consumer Protection Right | Filipa Costa     |
|             | 17:00hrs    | Getting insurance Right           | Israel Muchena   |
| November 1  | 9:00hrs     | Getting Digital Payments Right    | Rogério Lam      |
|             | 10:00hrs    | Getting the Infrastructure Right  | Salomão David    |

The presentations scheduled for the week of financial inclusion will be through the videoconference system in most of the provincial capitals and to access the debates simply go to the following locations:

During the week we will also use social media (Tweeter and Facebook), as well as comments that will be posted on the Financial Inclusion Week website, which can be found through the link: [www.financialinclusionweek.org](http://www.financialinclusionweek.org) and twitter using #FinclusionWeek.

For this week's celebrations, all partners of the financial sector are invited, namely: Members of the Board of Directors, Mozambican Association of Banks, representatives of Credit Institutions and Financial Companies, Insurance Supervision Institute of Mozambique, insurance companies, microinsurance, Electronic Currency, National Communications Institute, SIMO Multilateral Institutions and Cooperation Partners, Academy among other guests. The event is open to the public if they have an interest in the development of the financial sector.

For participation in the provinces, the interested parties are invited to register online through the FSDMoc website using the link: <http://fsdmoc.com/opportunities/> to access the registration form under the name of Financial Inclusion Week. Call attention to interested participants that we have limited seats, so the former will have priority.
